

Christina Torres - Golf Instructor

About Christina...

Christina's golf journey started in 1988. As an adolescent, her late father (Richard Torres) taught her the fundamentals of golf at the age of eleven. As a father/instructor he didn't just go as far as the basics of the game. He instilled this idea simply... "You receive what you give" and that "practice is the food of champions".

With this philosophy, Christina made multiple appearances in local and statewide newspaper articles, winning several local tournaments. She competed in the Northern Junior Golf Association tournaments traveling to cities as far north as Eureka California, and as far south as San Diego California. Because of her hard work and abilities, Christina competed at Pebble Beach golf tournaments two consecutive years; at ages 15 and 16.

In 2011, Christina began her golf career as the Assistant Golf Professional at Ridge Creek Dinuba Golf Club. In 2013, she was promoted and responsible for the instruction of members ranging from six years of age to adults of all ages. Some of her other responsibilities included women's golf instruction clinics, individual lessons, group clinics, and tournament coordination. In 2017, Christina was promoted to the position of Head Golf Professional. She remained in that position until early 2020.

As she begins a new chapter in her life, Christina is eager to bring her knowledge and expertise to the wonderful team at Valley golf Center.
