

Welcome to Valley Golf Center!

The Basics...

We want everyone to have a safe and enjoyable time while visiting our facility. A few quick FYIs to make sure that you do:

- Proper attire is required. Shorts/pants, shirts and shoes.
- No more than 4 people per range bay. You're welcome to book up to 3 range bays to accommodate your group. Groups with more than 12 people should call the Pro Shop at (559) 439-2712 to book your reservation.
- The maximum number of players per group on the golf course is 4. You're welcome to book multiple tee times if your group is larger than 4.
- **We do not accept cash for payment. A debit card, credit card, gift card or prepaid card is required for payment.**
- Customers may **NOT** bring coolers or beverages on to the premises. *Bringing your own alcohol on to the premises, including the parking lot, is a violation of the Alcohol Beverage Control law that may result in a citation and/or fine, including the revocation of our ABC License.*
- We have a Café available for sit-down dining. Our café has a full menu featuring gourmet burgers and traditional café menu items.
- Minors under the age of 13 years of age must be accompanied by an adult.
- Please be sure to secure your vehicle while parked in our parking lot. Remove valuable items from view. *We are not responsible for vehicle break-ins.*
- Only properly trained service dogs as described by the ADA are allowed on the premises.
- Small children must be monitored at all times. There are constantly golf clubs in full swing on the driving range and we want to be sure your little ones are safe.
- Putting greens are for putting only. No other club can be used on the greens.
- Place all trash and recyclable items in the cans we have placed around the facility.
- Use caution when walking on or near the driving range. Unless you're hitting golf balls on the range, stay behind the yellow caution line.
- **Have fun!**
