

Welcome to Valley Golf Center!

The Basics...

We want everyone to have a safe and enjoyable time while visiting our facility. A few quick FYIs to make sure that you do:

- Proper attire is required. Shorts/pants, shirts and shoes.
- We do not accept cash for payment. A debit card, credit card, gift card or prepaid card is required for payment.
- Customers may not bring coolers on to the premises.
- No outside food or beverages can be brought into the facility. *Bringing your own alcohol on to the premises, including the parking lot, is a violation of the Alcohol Beverage Control law that may result in a citation and/or fine.*
- We have a Café available for sit-down dining. Our café has a full menu featuring gourmet burgers, tacos and traditional café menu items. *The café has limited operating hours.*
- Snacks and beverages, including beer & wine are available in our Pro Shop as well as the cafe.
- Minors under the age of 16 years of age must be accompanied by an adult.
- Please be sure to secure your vehicle while parked in our parking lot. Remove valuable items from view. *We are not responsible for vehicle break-ins.*
- Only properly trained service dogs are allowed.
- Small children must be monitored at all times. There are constantly golf clubs in full swing on the driving range and we want to be sure your little ones are safe.
- Putting greens are for putting only. No other club can be used on the greens.
- Please place all trash and recyclable items in the cans we have placed around the facility.
- Use caution when walking on or near the driving range. Unless you're hitting golf balls on the range, stay behind the yellow caution line.
- Have fun!
